BAR OPTIONS

CASH BAR

Your guests pay for their own drinks.

HOST FUNDED OPEN BAR

Your guests are able to order whatever they want and you will be billed at the end of the party. This option allows guests to drink as little or as much as they want throughout the duration of your event.

DRINK TICKETS

This is the perfect option if you are wanting to buy your guests a round of drinks! Each guest will receive tickets from the event host (we provide the tickets) upon arrival that allows them to order a drink that gets put onto the hosts tab. We are able to create special drink menus for the party if you would like to control what your guests are able to "purchase" with the drink ticket.
